ADVANCING PSYCHEDELICS FOR MENTAL AND EMOTIONAL HEALTH

Heather A Lee, LCSW is one of the US's first Psychedelic Assisted Psychotherapists. She has over thirty years of clinical experience in Integrative Mental Health and Mind/Body Medicine. Heather's groundbreaking work with women and psilocybin has been featured by CBS News. She is pioneering the use of plant medicine as a new midlife right of passage and for women's psychospiritual healing when navigating cancer. She is a dynamic speaker and educator in the emerging field of psychedelic wellness.
